OUR COMPANY

Vintage Clothings is one of India's leading apparel manufacturers, we specialize in delivering innovation, scalable and large-scale production capabilities.

We specialize in producing premium knitwear, high-end garments, and accessories for top global fashion brands and luxury boutiques worldwide.

We serve retailers across Europe, Asia, North America, and Latin America focusing on consistent quality, traceable sourcing, and reliable delivery.

We deliver high-quality products within a typical production lead time of 45-60 days.

Private-label & wholesale knitwear on time, every time. Flexible MOQs, retail-ready finishing and dependable lead times.

Our manufacturing facility is equipped with state of the art **MACHINERY AND TECHNOLOGY**, ensuring precision, efficiency, and a high-quality finish for every garment.

OUTSOURCED PROCESS

KNITTING

The yarn is converted into fabric using technologically advanced knitting division.

DYEING

Utilizing advanced soft flow and airflow technology, we employ a temperature-controlled dyeing system that ensures precise treatment.

COMPACTING

A garment compacting machine minimizes fabric shrinkage and improves the finish, enhancing softness, smoothness, and stability ideal for cotton and blended fabrics.

IN-HOUSE GARMENT PROCESSING

EMBROIDERING

Our facility is equipped with advanced computerized embroidery machines designed to add high-quality decorative stitching and branding elements to garments.

CUTTING

Blending advanced machine automation with skilled manual expertise, our cutting department enhances both speed and scalability in production.

SEWING

Our product-focused, dedicated sewing lines across multiple plants translate customer designs into finished garments regardless of size, shape, or color.
